

SONG: FREE

Well I do love golden showers,
A nice *manage a trios*
I don't need bouquets of flowers
If you've helped me get off

There's a fun thing called a felch
Where you use a straw, then belch
Yesterday there was some scarfing
Love *and* asphyxiation!
Love *and* asphyxiation!
Love *and* asphyxiation!
Ahh! Ahh! Ahh!

JOHNNY
(*Singing*)

But there's so much discrimination
Against weird sex recreation
We've got to take some measures
Or repercussions will
Ahh! Ahh! Ahh!

SENATOR KEENTZ
(*Singing*)

People don't understand the pleasure
Of that kinky chest of treasure
In my repertoire

JOHNNY
(*Speaking, while music continues*)

Senator, the public's not ready for it yet. You're ahead of your time.

SENATOR KEENTZ
(*Speaking, while music continues*)

I know, Johnny. I know.

(*Singing.*)

I like to dress like Batman (ooo)
And find me a cool cool Robin (ooo)
I like to run Nancy
And find a hot dog for a bun

Do you know the happy feel (ooo)
Of being true to yourself and real? (choo, choo, choo)
I do, I do, I'm me, I'm free!

Tanto sings with Keentz

We're free to be you and me!

We're free to be you and me! (repeat)
