

**JO AND JOHNNY – CLUB CHAOS**

**SCENE EIGHT**

*Lights up on Club Chaos. Johnny is sitting at the bar. Jo enters and sits beside him.*

JOHNNY

Oh, hi, I'm glad you came.

JO

Me too. Really ... for sure ...

JOHNNY  
*(In a voice:)*

What are you drinking, ma'am?

JO

How about a ... Shirley Temple?

JOHNNY

... Wow, that's what I'm drinking, too!

*Pause. Drinks are served.*

JOHNNY

Gee, you know, you kind of look familiar.

JO

Oh, well, we just saw each other a few hours ago—remember?

JOHNNY

No, I mean like maybe I saw you in a dream or something ...

JO

Oh really what was it about?

JOHNNY

I think it was about dolphins.

JO

Wow, they're very intelligent creatures. Thank you! *(Beat.)* I'm an orphan. Which means I never knew my parents, they're dead.

JOHNNY

My mom's dead.

**JO AND JOHNNY – CLUB CHAOS**

JO

Oh that's so sad, Johnny!

JOHNNY

Yeah ... Sometime I just think that any of us could die at any minute and it just terrifies me.

JO

Oh. I never thought of that!

JOHNNY

Pretty scary, right? ... I feel like I've just been running away from the past all my life, 'till I found Senator Keentz and a real true life up there on Capitol Hill.

JO

Oh, Johnny, I've always wanted to climb the Capitol Hill!

JOHNNY

Well, I can show you how, Jo.
